SCENIC NOTES:

NBW's annual Spring Opener ride, sponsored by East Providence Cycle, who will sponsor an open house and Bike Show after the ride. This is an easy ride starting in the city but soon reaching the remaining rural areas of Seekonk, Rehoboth and Dighton. Look for Shad Factory dam and pond near the 14 mile split, and the fire and water towers in Rehoboth. Ride originally designed by Howard Hill in 1978, extension to Taunton River by Rick Schwartz.
