

Scenic Notes:

Some refer to this ride as "that dam ride". A true classic that reflects RI's history of being the father of the industrial revolution. If there is a river with a hill and a dam, then this ride goes by it, and up it.

Riders on the medium and long ride should save something in the tank for the climb up Whipple Rd. Rider's on the short ride are spared this climb

Everyone show know about Ridge Rd and using it to get in/out of Providence from the North West.

Narragansett Bay Wheelmen

Providence Bicycle Ride #32

Providence - Smithfield - Glocester

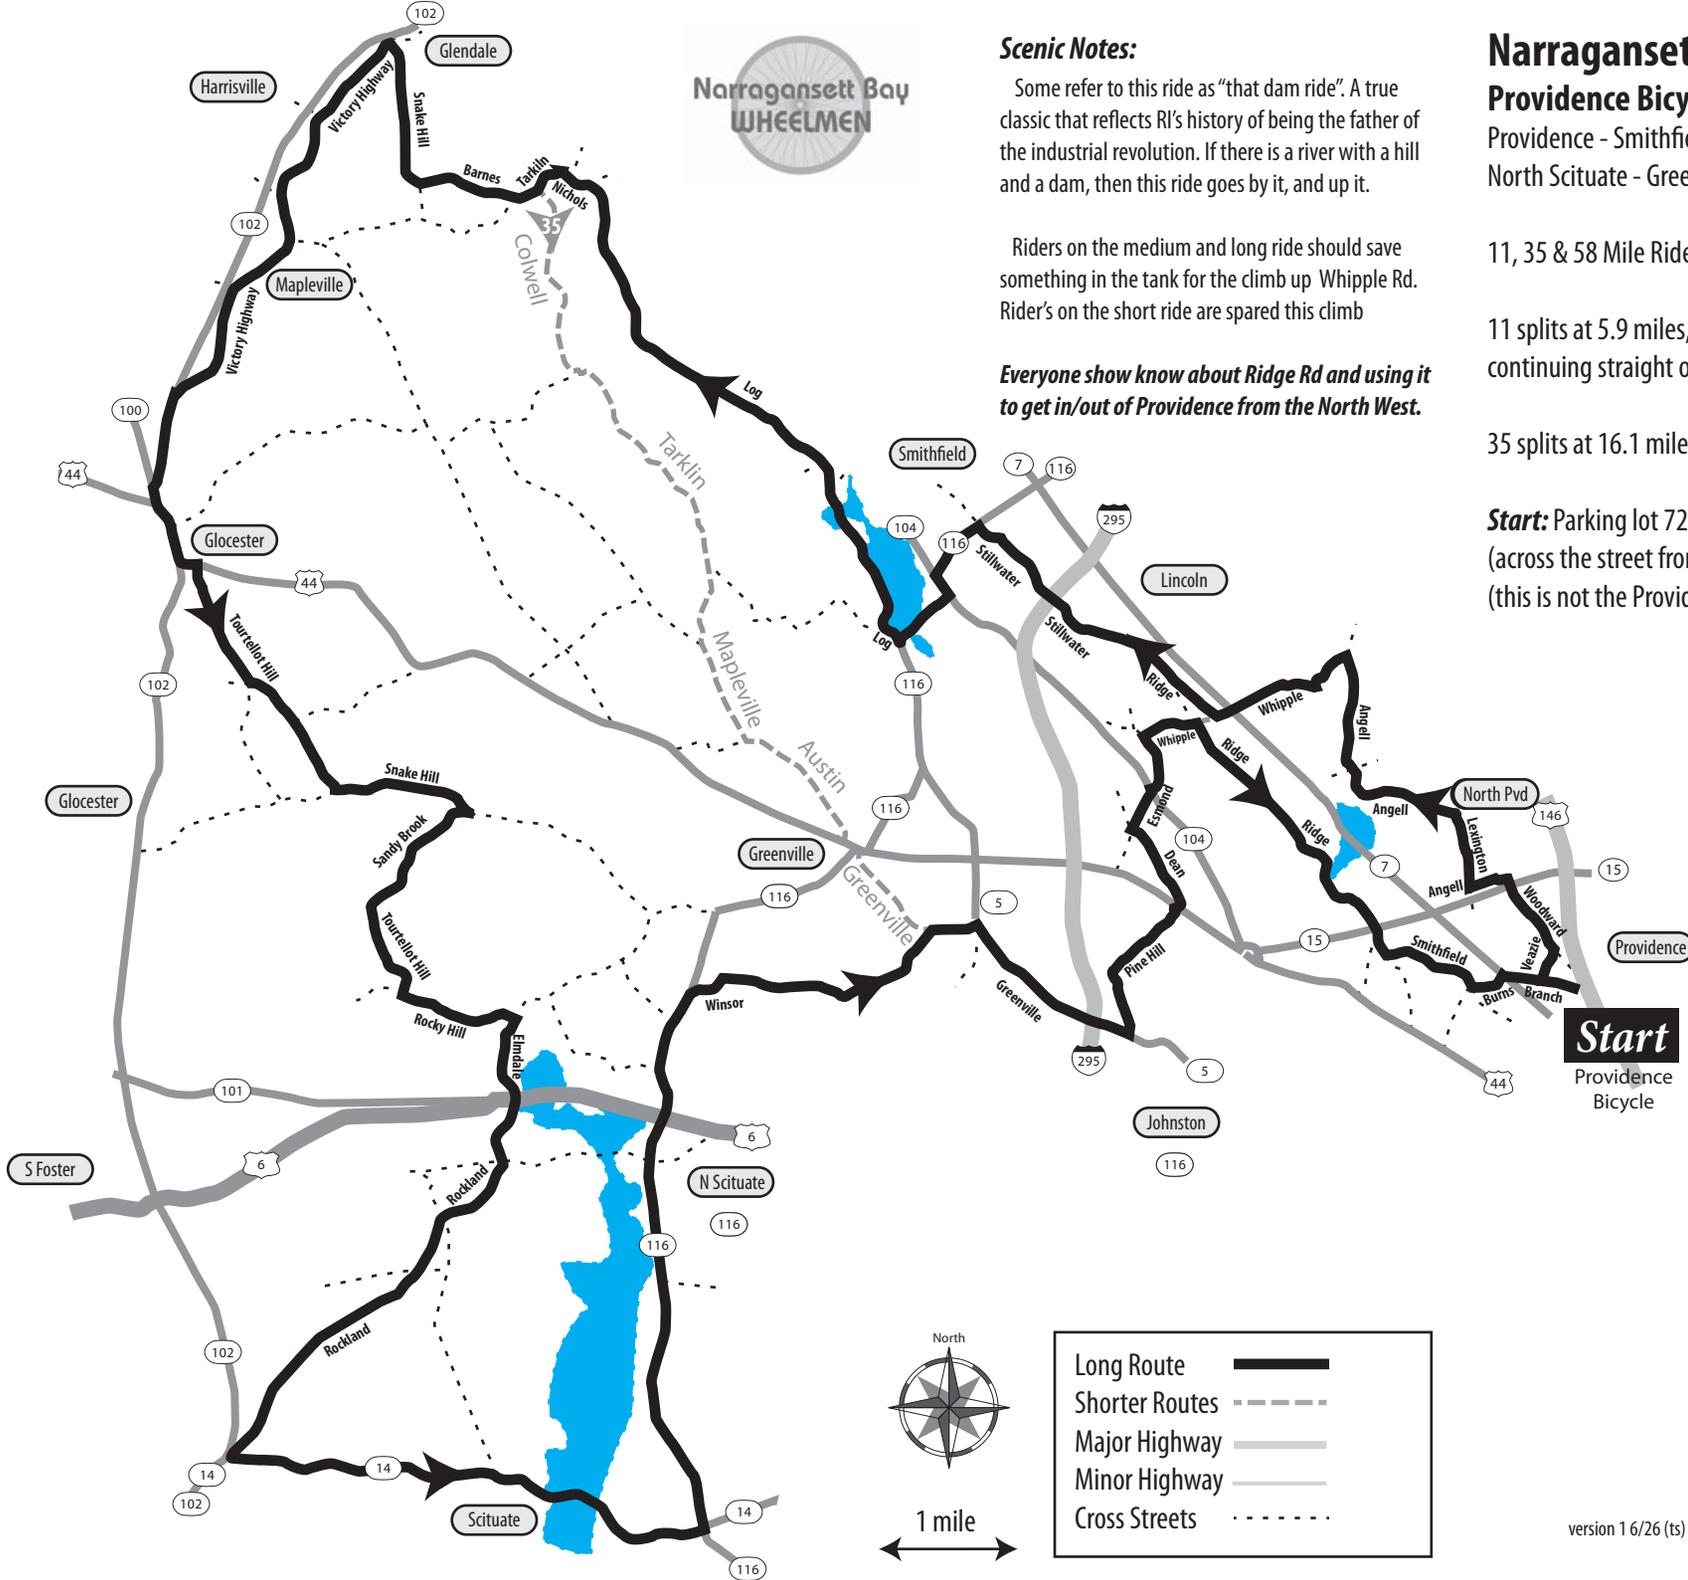

North Scituate - Greenville

11, 35 & 58 Mile Rides

11 splits at 5.9 miles, after crossing Route 7 at lights, continuing straight on Whipple, then left onto Ridge

35 splits at 16.1 miles turning left onto Colwell

Start: Parking lot 725 Branch Av, Providence, RI (across the street from intersection with Abrams St) (this is not the Providence Bicycle Parking Lot)
