Scenic Notes:

This is an old NBW ride that has been resurrected with a new start. We take a spin through some familiar towns and hills, just in a slightly different direction. What can we say about a ride that starts at "Our Lady of the Martyrs", passes through Burrillville at the halfway point, and then asks of us how do we choose to finish this year? Do we do Woonsocket Hill, or Greenville Rd? Are we climbers, or sprinters. Does youth win, or experience? Are our legs still strong, or are we riders with wisdom. The choice is yours

Splits:

20 splits at 3.1 miles, turning left onto Green St
